WELCOME TO

BURNTWOOD LAKE LODGE & OUTCAMPS

Burntwood Lake Lodge is a fly-in fishing lodge located 500 miles north of the Canadian border, in the heart of Manitoba's Trophy Northern Pike and Walleye waters. This fly-in only lodge is truly a world class facility. Experience trophy fishing and hunting at Burntwood Lake Lodge or at one of our outpost camps and be sure to return year after year. Relax in luxurious accommodations and experience our unhurried lifestyle.

ABOUT BURNTWOOD LAKE LODGE

Burntwood Lake Lodge owns and operates all of the aircraft pictured here. Leave from any major center in the U.S. and your group will be picked up that afternoon in Winnipeg via our Piper Navajo Chieftain, with very comfortable seating. It is a 1 hour and 45 minute flight to the float base. Abroad one of the float planes, you will fly for 20 minutes to the Lodge or Outcamps. Safety being the #1 concern, our pilots have combined 30 years and 20,000 hours of bush flying experience. If choosing to drive up to the float base in Snow Lake, it is a 7 hour drive north of Winnipeg on Highway #6.

Built in 1995 and refurbished in 2006, we spared no expense in making Burntwood Lake Lodge a truly unique place. The main lodge is fully equipped with a dining room, licensed lounge, meeting area and tackle/souvenir store. Keep in touch with the outside world while on your relaxing vacation and use the high speed internet and phone system which can be used any time of the day.

Enjoy the comfort of your own cabin, separate from the main lodge. Each cabin is equipped with a lounge area, dining table/chairs, fridge, full size washroom and luxurious beds. No need to bring bath towels, facecloths or bedding, all of your linens are supplied.

Burntwood Lake Lodge guest cabins are great for hosting family vacations, large group parties, and reunions. With all the amenities you can ask for, your group will have the time of your lives. **GUARANTEED!** Burntwood is the only lodge on the lake with a capacity of 32 guests. The place makes you feel as if you have the lake to yourself once you head out for the day.

Commonly Asked Questions

Where is Burntwood Lake?

Burntwood Lake is 500 Miles north of the Canadian Border and 40 miles North and East of Snow Lake, Manitoba.

How Big is Burntwood Lake?

Burntwood Lake is 35 miles long with many bays, island and hidden reefs.

When is the best time to fish?

Our season up here is short and is comprised of the best weeks in which to catch fish. Our repeat clients are spread evenly throughout the season.

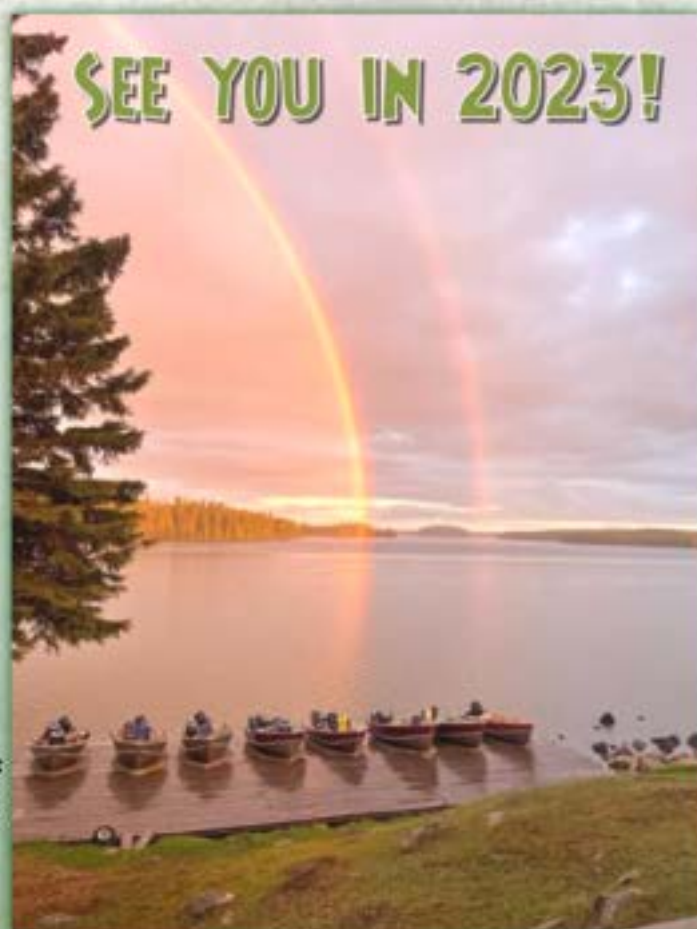

How do I go about making a reservation?

Pick up a phone and call our toll free number, email, or send a letter. We will be happy to answer your questions and assist you with travel arrangements.

How do I get to Burntwood Lake Lodge or Outcamps?

If flying from your home city, there are some excellent connections for international flights in Winnipeg, Manitoba. We will be at the airport to meet you. From there you will be flown directly up to Burntwood aboard our twin engine

SEE YOU IN 2023!

aircraft for a 1 hour, 45minute flight. If driving, to our float base, take HWY #6, North of Winnipeg (good pavement all the way). It's a 7 hour drive to Snow Lake. Jump aboard one of our float-planes or helicopters and take a 20 minute flight to either the Lodge or one of the Outpost camps.

What about accommodations in Winnipeg??

You DO NOT need accommodations in Winnipeg. Most flights arrive in Winnipeg early afternoon. We depart then, and have you at the Lodge or Outpost for dinner that same day.

If you need accommodations in Winnipeg, coming in the night before your departure date, book your room with Hilton Winnipeg Airport Suites, located just 2 minutes from the Winnipeg International Airport. Book by calling the Hilton at 1-204-783-1700. To receive the Burntwood guest rate, don't forget to say you have booked a hunting or fishing trip with us.

What do I need to bring?

All you need to bring are your clothes and personal items, rods/reels, tackle, rain gear and camera. If you need fishing gear, we can supply it, just let us know in advance.

FISHING

Anglers who prefer first class accommodations, as well as first class fishing, already know Burntwood Lake Lodge is the place to be. Experienced, friendly, knowledgeable guides are available at your request. We run 16 ft aluminum boats with 15 hp, 4 stroke motors, with carpeted floors and casting decks. Guide boats run with 25 hp motors.

NORTHERN PIKE

Burntwood Lake provides an excellent opportunity for that trophy Northern Pike. With Northerns released up to 51", Burntwood has loyal, die-hard Pike fishermen who return year after year. Burntwood offers hundreds of weed

beds and back bays which are excellent habitat for Northern Pike. For bait casting, the ever popular Johnson Silver Minnow, Five of Diamonds, and Red Devil are a few favorites that really work. But don't forget to bring along a few of your favorites as they will attack almost anything. To ensure the continuation of Burntwood's outstanding fishing profile, we require that all northern pike above 30 inches, and walleye over 20 inches be released. Provincial regulations also require barbless hooks on tackle used in Manitoba (barbed hooks are easily made barbless with a pair of pliers). Feel free to talk to your guide or any of the staff regarding proper handling techniques that promote a quick and harmless release that will help ensure fine fishing in Manitoba and Burntwood Lake for years to come.

WALLEYE

Fishing on Burntwood Lake is absolutely fantastic! Nestled in the heart of excellent Walleye territory, Burntwood Lake is second to none. Catching shore-lunch has never been easier. Filled with hidden reefs and rocky shorelines, Burntwood offers great Walleye fishing. Almost any type of lure works, most popular being the 3/4 oz or 1/2 oz jig heads along with a rubber ta rappalas, and spinners. A light or ultra light rod is recommended for Walleye.

HUNTING

BEAR HUNTING

Spring bear seasons runs from May 21st to June 12th, 2023. Fall season dates are August 22nd to October 9th, 2023. We have trophy bear tags available, which allows each and every hunter an excellent opportunity for a trophy. Hunts run for 7 days. Fishing all day and hunting in the evening is a typical routine at the lodge. Color phases in the area range from black, cinnamon to blonde. Bears up to 600lbs have been taken in the spring. 100% of hunters have the opportunity with 95% being successful. Bow or Rifle are allowed.

MOOSE HUNTING

The Canadian Moose, the largest of Manitoba's big game animals, is an admired species that repeatedly captures the interests of hunters. Broadly acknowledged as a premier moose hunting destination, Manitoba offers a variety of select areas for exceptional moose hunting opportunities.

Over the years, the Burntwood Lake Area has proven to have one of the highest concentrations of Bull Moose in Manitoba. Our average over the past 30 years is an outstanding 70% success rate, opportunity being 85%.

Hunting season begins in the middle of September to the end of the first week in October, offering some beautiful weather for hunting as well as a stunning colorful tree line.

Each hunter is supplied with a trophy bull tag, a guide for the entire week (6 Days of Hunting), and all the meat is flown back to Snow Lake. Hunts are all done out of our main lodge on Burntwood. We hunt hard so be well rested when you arrive. Our largest to date at Burntwood is 63"!

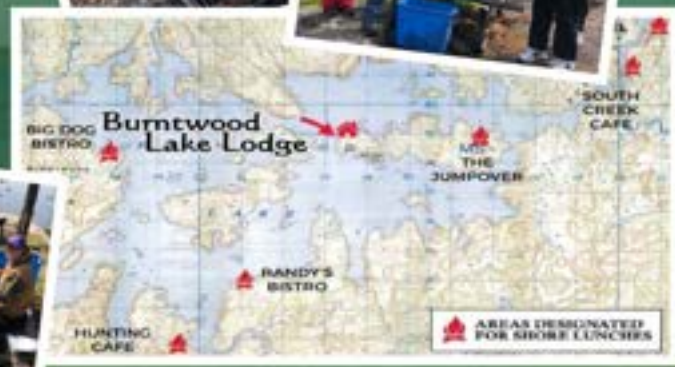

Hunts are done out of the main lodge on Burntwood. Burntwood Lake Lodge offers self guided Canadian resident moose hunts at the following outpost locations: Dow Lake, Rothstein Lake and Niblock Lake.

SHORELUNCH AT BURNTWOOD LAKE

Enjoy the sweet smell of success!!

A trip to the Canadian outback would not be complete without a hearty and unforgettable short lunch. This may very well be your favourite part of the day. Your own catch of the day is prepared to perfection by our guides who take as much pride in their shore lunches as they do in finding just the right fishing holes. Try their crispy walleye fillets, fried potatoes, beans and corn, served with a cold one and you're sure to pronounce this meal world-class! All fished out? No problem. We'll pack you your very own special lunch to take along with you out on the water. Just let us know!

OUTCAMPS

For those of you who enjoy being on your own, we have a few fly-in outcamps to choose from. Leave from any major center in the U.S. and we will have you at one of our outposts the same day. If choosing to drive up to our float base in Snow Lake, it is a 7 hour drive north of Winnipeg on Highway 6, then a quick 20 minute float plane or helicopter ride to camp. All outcamps offer trophy Northern Pike and Walleye fishing.

Catch and release only is practiced on all outcamp lakes. All outpost cabins are equipped with solar powered lighting, hot showers, full size kitchen with cookware, bedding and linens, BBQ and fish fryer outside, propane fridge, wood burning stove, 16 ft aluminum boats with deluxe padded seating, 15 hp 4 stroke outboard motors and unlimited gas.

McGhee Lake

Journey 16 miles west of our float base in Snow Lake to beautiful McGhee Lake. The outpost is located on an island in the middle of the lake accommodating up to 8 guests. If you want to catch big Walleye and Trophy Northern Pike, this is the place to be! The lake has an incredible amount of bottom structure that holds large amounts of walleye's. For northern pike, travel to any one of the weedy bays to catch a big monster. Fishing for both species is best at the end of May and June. A truly unique fishing experience in a natural setting.

Dow Lake

Our largest outpost camp, Dow Lake, offers accommodations for up to 14 guests. Located 18 miles west of our float base in Snow Lake, Dow Lake is truly a unique location. With an average depth of 20', the lake is a shallow tea-hued body that sets the bar high time and time again for excellent walleye fishing, both in numbers and size. Large pike are not uncommon either, making for added excitement when that massive jack decides to take a pass at your walleye jig. One of our most popular outposts, Dow Lake, will become your annual tradition, as it has for many of our guests.

Rothstein Lake

Our newest outcamp, constructed entirely with logs from the surrounding area, has a great view of the lake. Our camp on Rothstein Lake, locally known as Tullibee, can accommodate up to 6 guests comfortably. Tucked in a small bay along a narrow stretch of the lake, this outpost is always sheltered from the wind and weather. The low sloping shoreline offers easy travel from the cabin to the dock as well. Rothstein lake has proven year after year to be an astounding adventure for even the most seasoned of fishers. The lake is famously accommodating to those new to the sport, often offering up trophy-size specimens to those who least expect it. For those more experienced, get ready to engage yourself at a lake that may very well provide you the best fishing adventure of your life.

WE CANNOT WAIT TO SEE YOU!
